February 2009

PERMISSION FOR ACTIVITIES OUTSIDE THE CLASSROOM - 2009

We wish to have one PERMISSION SLIP for all activities involving children leaving the school grounds. This will cover all transport options such as private cars, bus, train, biking or walking. Activities include swimming, inter-school sport, manual training, choir rehearsals and dental clinic visits. The permission slip will cover activities for the current year only and a new slip will require signing at the start of each year.

In addition, parents will be notified in writing of all additional trips with details of transport, date, time away from school, cost involved, supervision required, etc. At this time you may discuss with the class teacher any concerns regarding the trip. In all of these activities strict safety procedures will be followed. Overnight trips will require a separate permission slip.

On the rare occasions when children are being transported in private vehicles, the driver must have a current driver's licence and the vehicle must be registered and have a current Warrant of Fitness. It is compulsory to have each child secured by a separate safety belt.

Due to our increased use of digital cameras on class trips and camps, we often want to display these photos on our school website, or in other educational settings or publicity. We need to have your permission to use these photos.

Please fill out the slip below with the necessary details, sign and return to the school office - thank you.

✂ -----
