## Enrolment Information For International Students

Welcome to Christ the King School.

*CHRIST THE KING SCHOOL has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Minister of Education. Copies of the Code are available on request from this institution or from the New Zealand Ministry of Education website at <http://www.minedu.govt.nz>*

*We trust you find the information contained in our enrolment package helpful. Should you have any questions, please do not hesitate to ask. No question is ever too small.*

We welcome visitors to our school.

When children are enrolled all family members are offered a guided tour of the school by the Principal to see the facilities offered and to ask any questions. Children will also be introduced to their Classroom Teacher and Support Staff they will be working with.

For the first week new children are also 'buddied' up with a classmate to help and support with orientation.

### ENROLLING AS AN INTERNATIONAL STUDENT

Christ the King School is a State Integrated School. All New Zealand children enrolled at a State Integrated School are entitled to a 'free education'. Integrated schools are funded by the Government and teachers are paid by a Central Government pay service. Capital costs however must be met by the Schools Proprietor. International students do not qualify for 'free' education and are required to pay a fee.

The fee set by the Christ the King Board of Trustees includes:

- The cost of employing extra staff.
- ESOL (English lessons for children who have English as their Second or Other Language).
- A portion of the school's operational cost.
- Administration.
- A Proprietor's fee (A charge imposed by the Proprietor for the use of a Diocesan owned facility). This fee is the same amount as imposed by the Government on full State Schools.
- Attendance Dues, paid by all children in the school.
- Additional charges (which include the annual cost to the school for being a Signatory to the Code of Practice for the Pastoral Care of International Students) and GST (Goods and Service Tax), a Government tax amounting to 15% of the total fees.

## **CALCULATIONS FOR FEE PAYING STUDENTS**

Fee Calculations ratified by the Board of Trustees if paying for the full school year are:

1. Parish Attendance Dues	\$ 150.00
2. Tuition fee	\$6,784.79
3. Proprietor's fee for the use of Government owned property	\$ 900.00
4. Administration costs to comply with the Code of Practice	\$ 600.00
5. <b>TOTAL FEE</b>	<b>\$8,434.79</b>
6. <b>GST (Goods &amp; Service Tax)</b>	<b>\$1,265.21</b>
7. <b>TOTAL (including GST)</b>	<b>\$9,700.00</b>

If paying per term the cost is \$2,500 (including GST) per term.

The \$9,500 includes a \$2,500 portion that will be put towards the school building project.

International Students who enrol for a period of **no less than one year** will have priority over students wishing to enrol for shorter periods. We do not enrol International Students for less than one term (10 weeks).

If International Students do not have the necessary Student Visa and Permit they will be required to obtain one.

It is an offence to be enrolled in a New Zealand school without such documents.

### **NEW ZEALAND IMMIGRATION SERVICE WILL BE INFORMED WHEN:**

- Students don't complete the course for which they have enrolled and either return to their home country or leave Christ the King School to attend another school in New Zealand.
- Students fail to attend school on a regular basis (act truant).

### **UPON COMPLETING A COURSE OF STUDY AT CHRIST THE KING PRIMARY SCHOOL:**

- Students returning to their home country will receive an Attendance Certificate from the school to show the study course, or Year of Schooling completed, plus an academic report.
- Students who leave Christ the King Primary School to attend another school in New Zealand will be provided with a Transfer Notice with all school records forwarded to the new school when requested and fee paying money is not spent by the school until the child who has paid it has finished his/her time.

### **FEE PROTECTION AND REFUNDS**

All money received for fees from International students is coded and banked immediately in the schools Main bank account with ASB Bank Ltd – a reserve is always maintained to provide refunds should they be requested.

The Refund Policy clearly states the reasons when refunds will be given.

## **ENROLMENT PROCEDURE**

Children can be enrolled at a New Zealand State Primary School from their fifth birthday. Education becomes compulsory at age six.

Children fourteen years and over attend Secondary School. Education for New Zealand children remains compulsory until the age of sixteen.

To enrol at Christ the King Primary School you must approach the Principal with a request for enrolment. Christ the King Primary is a State Integrated School and our first priority is to cater for resident preference students between the ages of five and fourteen.

A request for enrolment can be made by e-mailing the Principal at **principal@christtheking.school.nz** or by visiting the school or by e-mailing the school office **admin@christtheking.school.nz**

If a place is available at your child's age and class level you may be offered a place.

The details completed in the 'Offer of a Place' form are required by New Zealand Immigration for the issuing of a Student Visa or Permit. You may like to visit the New Zealand Immigration website for more information about the Student Visa or Permit at

**[www.immigration.govt.nz](http://www.immigration.govt.nz)**

For the school you will be asked to complete a Student Enrolment Form which provides information about your child and your family. You will also be asked to explain living accommodation if arrangements have been made for your child to stay with a residential caregiver while studying at Christ the King Primary.

To enrol at Christ the King Primary School **International Students must live in one of the following categories of accommodation:**

- Live with their parents or legal guardians (proof of legal guardianship must be supplied) Years 1 to 8.
- Live with a designated caregiver chosen by their parents/legal guardians, Years 7 to 8.
- Live in a home stay, Years 7 to 8.

For the purpose of enrolment at Christ the King a '**designated caregiver**' will be a '**close relative**' such as an aunt, uncle or grandparent living in a family situation. A '**home stay**' will be in accommodation provided by an Education Provider or with a Guardian for the student. This is subject to approval by Christ the King School. (The school will ensure that such persons will have a full understanding of their obligations by providing them with a copy of the Code of Practice).

If you decide to have your child live with a residential caregiver you will be required to complete:

- an Enrolment Form
- Refund Policy
- Indemnity for Designated Caregiver or Residential Caregiver (Home Stay)
- Tuition Agreement
- Caregivers Agreement

***Parents take full responsibility for the placement of their child.***

The Principal or the school's International Student Liaison Person will then visit the home to:

- Determine that living standards are of an acceptable standard.
- Meet and establish communication with the residential caregiver.

The Liaison Person will also meet with your child once a term to confirm that the accommodation is suitable.

Further details the school will ask for at the time of enrolment, are particulars about your child's health and information about any special needs that may have to be addressed, including background for ESOL (English as a Second or Other Language).

Diagnostic tests are conducted once your child has settled into Christ the King Primary School and will include an assessment of ability in the English language.

All the information you provide will remain confidential.

If any of the details you provide at the time of enrolment changes, IT IS YOUR RESPONSIBILITY to notify the school of the change.

At the time of enrolment you will also be required to sign the school's '**Internet Agreement**' and a '**Permission Slip for Activities Outside the Classroom**'. . A copy of the school's policy on '**Complaints Procedures**' is also included to outline procedure for dealing with grievances should they arise.

The school's policy for NESB completes the information provided at the time of enrolment.

## **CESSATION OF ATTENDANCE**

Pastoral care of students is a feature of the school. Should unexplained absences occur, the schools language tutor would provide early details to the principal who would make contact with a parent or caregiver. Extra learning support would be offered to assist a student with a learning or social difficulty. This would include peer support and extra tutoring. Should the absence continue without due explanation, the child's tuition will be terminated and NZIS will be informed.

## **CIRCUMSTANCES WHICH MAY LEAD TO TERMINATION OF TUITION**

Tuition may be terminated in instances of gross misconduct or the inability of the school to provide for a child's needs.

## **ELIGIBILITY FOR HEALTH SERVICES:**

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at [www.moh.govt.nz](http://www.moh.govt.nz)

## **ACCIDENT INSURANCE:**

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at [www.acc.co.nz](http://www.acc.co.nz)
